

NEEDVILLE YOUTH FAIR CORPORATION

The Needville Youth Fair
Annual Tradition Since 1956

Promoting the interest of youth in agriculture,
educational, scientific and other related activities

NEEDVILLE YOUTH FAIR CORPORATION

FOUNDED IN 1956

The first fair was held in April, 1956, under the trees-braving the elements. In 1957, the fair was still held outdoors, but the first Queen's Contest was held and that event continues today. A tract of land behind the American Legion Hall was purchased for \$1,500.00 in 1959 and construction on the original livestock barn began.

The Needville Youth Fair was originally called the "Consolidated Youth Fair" because of the consolidation of several communities (Guy, Fairchilds, Foster School, Long Point, Woodrow, Needville) for this worthwhile event. In 1986, 10 acres of land was purchased for a larger facility. Then in 1988, ground was broken for a new 37,500 square-foot livestock facility. Today because of the dedication and pride the founders instilled in this organization and due to the continued efforts of countless volunteers, we proudly have land and facilities where we can host this community tradition.

ABOUT US

The NYF is a non-profit [Section 501 (c) (3)] corporation that owns and operates a seven-acre fairground facility dedicated to serving the children of our community. The fairground has a first-class agricultural barn and arena, fair office and concession stand as well as buildings to house arts and crafts and educational projects.

Management consists of a 40-member Board of Directors, made up entirely of volunteers consisting of local business people, citizens, and educators including 4-H, FFA and FCCLA leaders. The full Board holds monthly meetings 10 months out of the year in addition to special meetings held by the Executive Board and Committee Chairmen.

MISSION STATEMENT

The Needville Youth Fair, Corporation, was founded to organize, build a facility, produce, sponsor, and hold an annual fair for the local children. The organization was to promote the interest of youth in agriculture, livestock, creative arts, educational and scientific projects, exhibitions and contests, livestock judging contests, queen's contests, booths by other non-profit organizations (to help them fund their own activities), a parade, pet show, arena games, entertainment and awards and recognition ceremony. Many educational projects are geared to meet state of Texas' mandated educational goals in the fields of science, social studies, history and foreign language. Additionally, the organization is to bring closer relationships between the youth and adults in the community while teaching responsibility, cooperation and other valuable positive life lessons. The organization proudly makes available scholarships for worthy graduates of Needville I.S.D. to further their education. The organization cooperates fully with the FFA, FCCLA, 4-H Clubs, and other charitable organizations to promote their work in the community as well as with the NISD board and their administrators.

Encouraging Education Supporting Youth

Since 2010, the Needville Youth Fair has helped exhibitors raise almost six million dollars through the livestock and creative arts auctions.

Promoting Community

The Needville Youth Fair Corp. has a continuous, cooperative relationship with Knights of Columbus 7067, The Needville Harvest Park Foundation, The Needville Volunteer Fire Department and other community and surrounding county organizations.
